

# DIRECTIONS

- 1) Students will choose a strip.
- 2) Using capital strips: Students will look at the capital letter and then either write the matching lowercase letter (using a dry erase marker) or build the matching lowercase letter (using a magnetic or letter tile) in the blank under it.
- 3) Using lowercase strips: Students will look at the lowercase letter and then write or build the matching capital letters.

## QUICK DIFFERENTIATION

### KIDS THAT NEED A CHALLENGE:

- 1) Students can say the sound the letter makes.
- 2) Students can generate a word that begins with the sound the letter makes.

### KIDS THAT NEED A REVIEW:

- 1) Give students an alphabet chart that has both capital and lowercase letters on it.
- 2) You can make these strips self checking by marking the correct letter on the back of the strips.
